Mission Statement

“Welcome! In this presentation, we’ll explore our website’s monetization strategy. We receive visitors from both paid and unpaid sources. When visitors click out to a lender, we earn revenue. We work with two lenders: Lender 1 generates £10 per click, while Lender 2 generates £2 per click. Let’s dive into the details!”

Visitor Channels

First Time Buyers

Designed for those buying their first homes.

We provide information on mortgage basics, down payment assistance, and navigating the homebuying process.

Remortgaging

For people who want to refinance their existing mortgages.

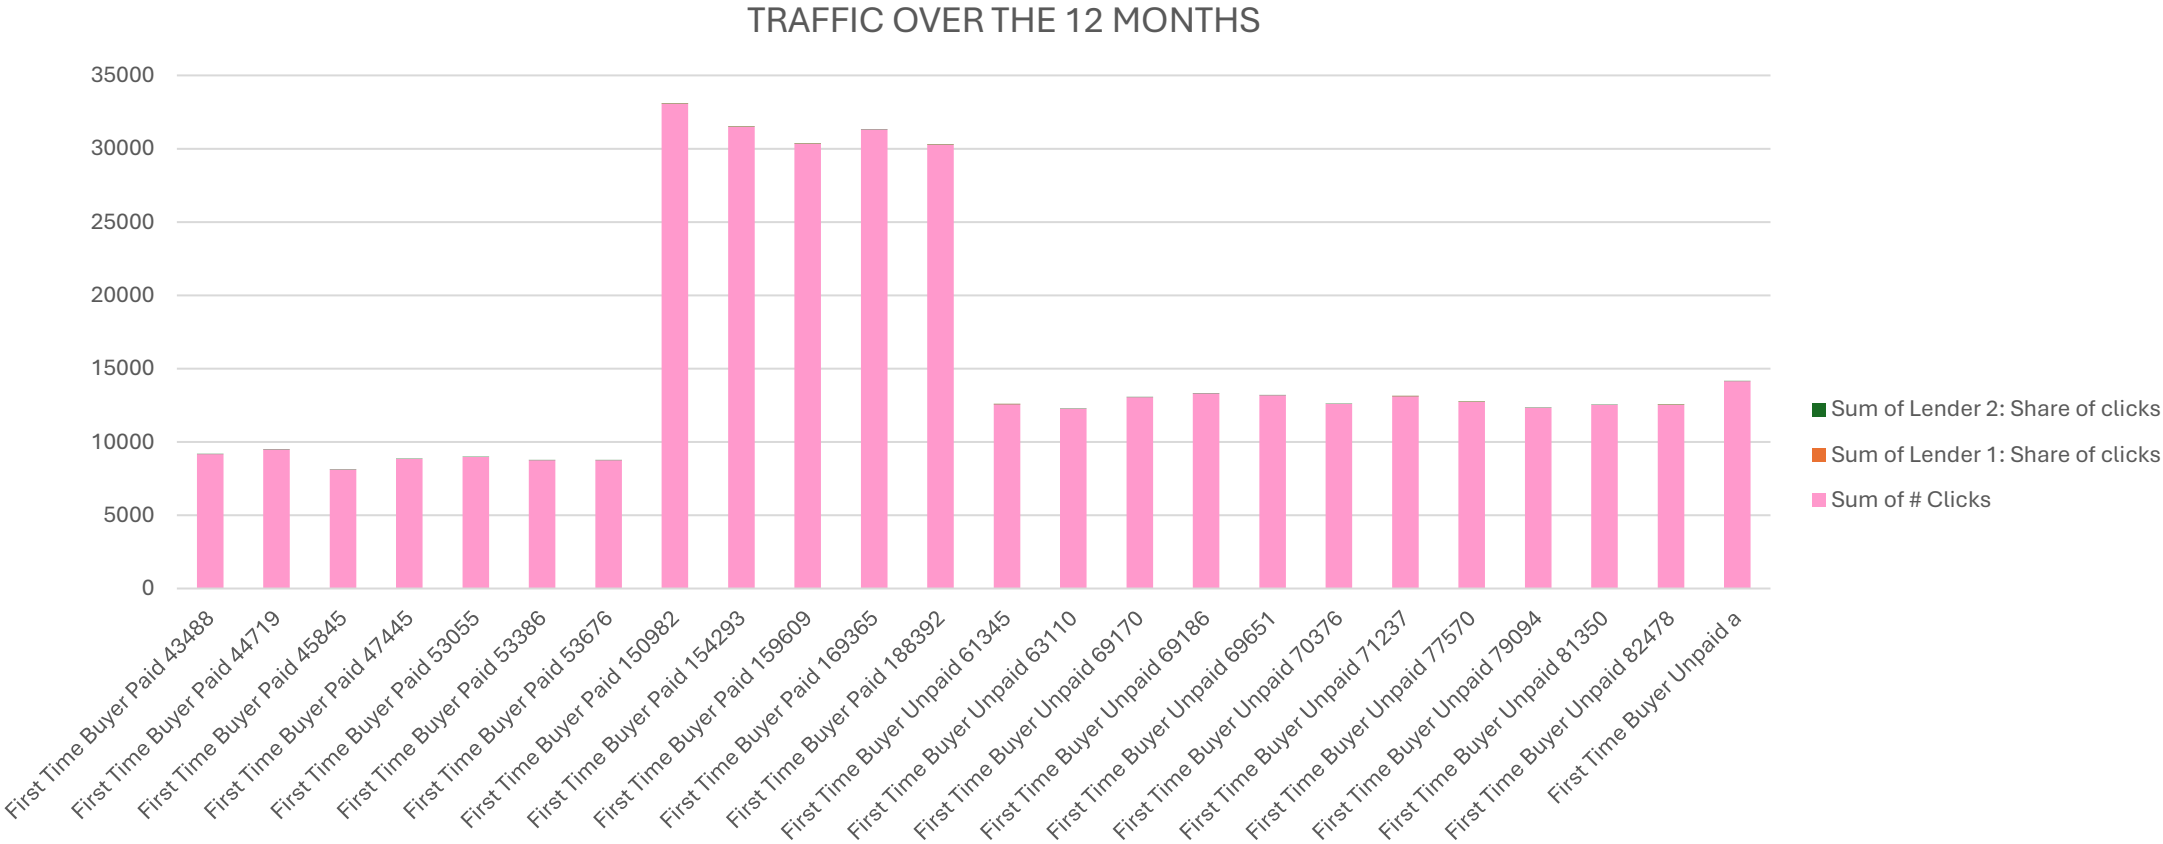

We highlight competitive rates, easy processes, and the advantages of switching lenders.

Home-Movers

Tailored for individuals moving to a new home.

Our content focuses on smooth transitions, mortgage portability, and support during relocation.

First Time Buyer Trends

First Time Buyer Summary

Paid Visitors

We consistently get visitors who are first-time buyers.

Both lenders (Lender 1 and Lender 2) share the clicks equally.

Recommendation: Keep things steady and maintain the balance between lenders.

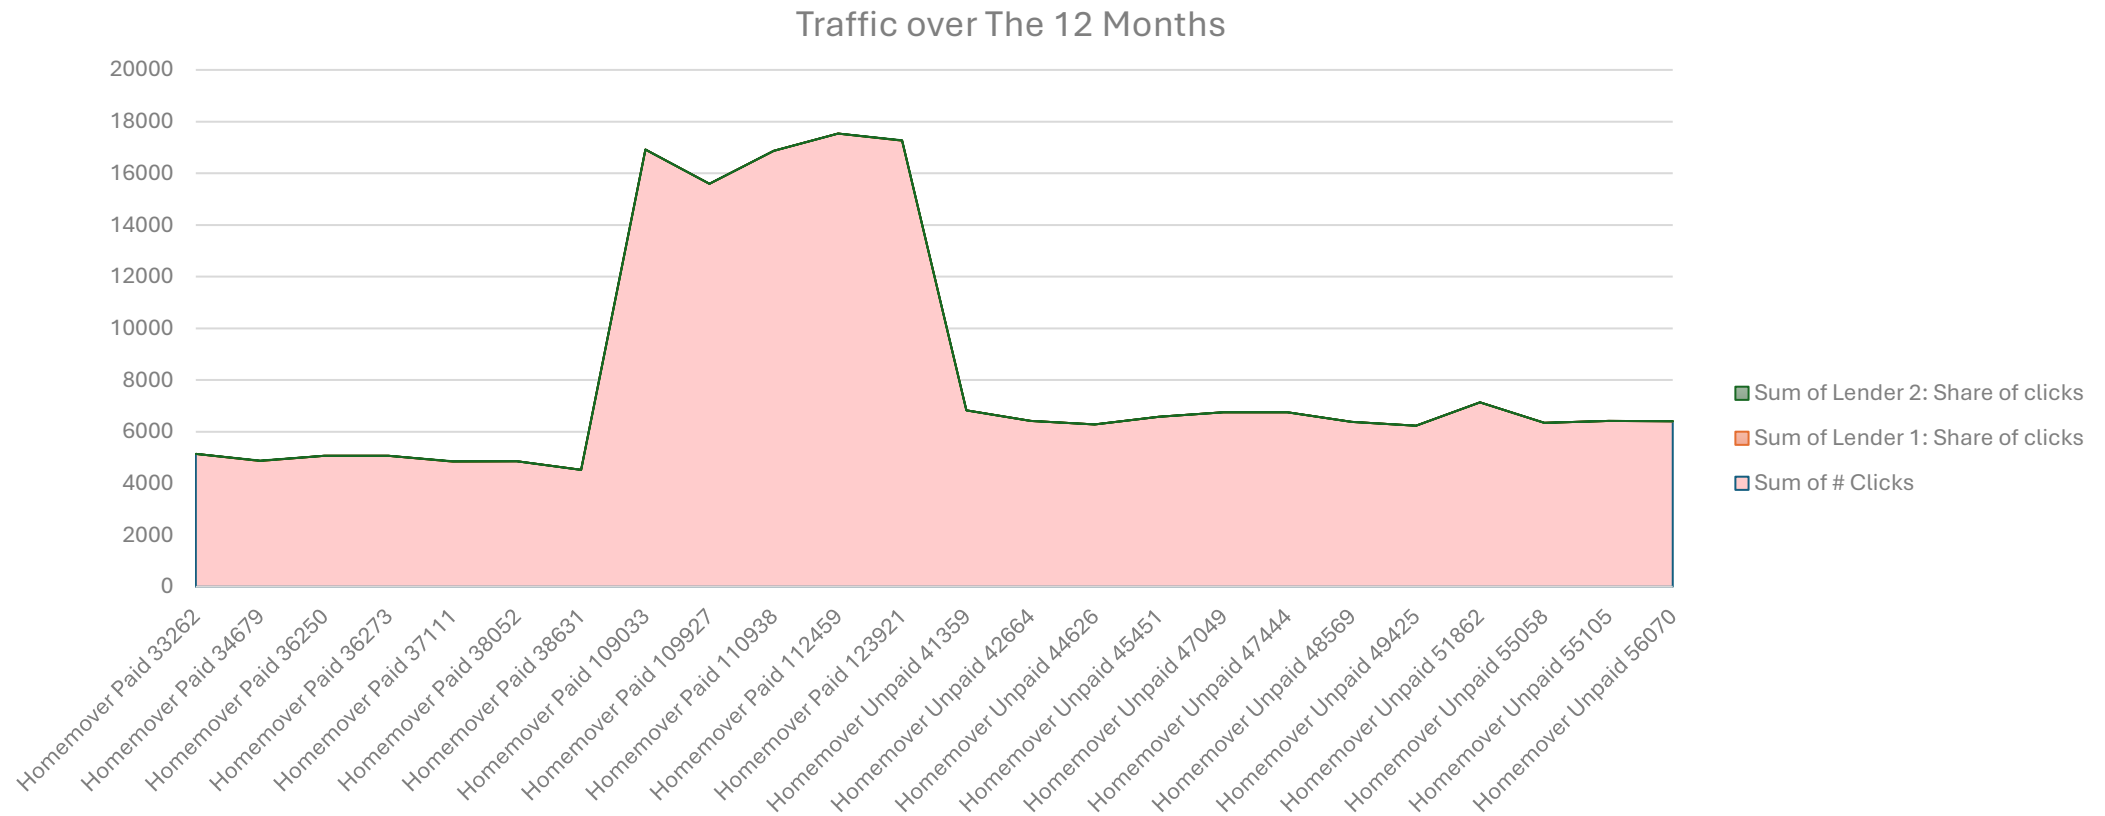

Unpaid Visitors

Fewer visitors compared to paid ones.

Again, both lenders share the clicks equally.

Recommendation: Improve organic traffic by creating helpful content.

Remortgaging Trends

Remortgaging Summary

Paid Visitors

Consistent number of visitors.

Equal share of clicks between lenders.

Recommendation: Optimize landing pages for better results.

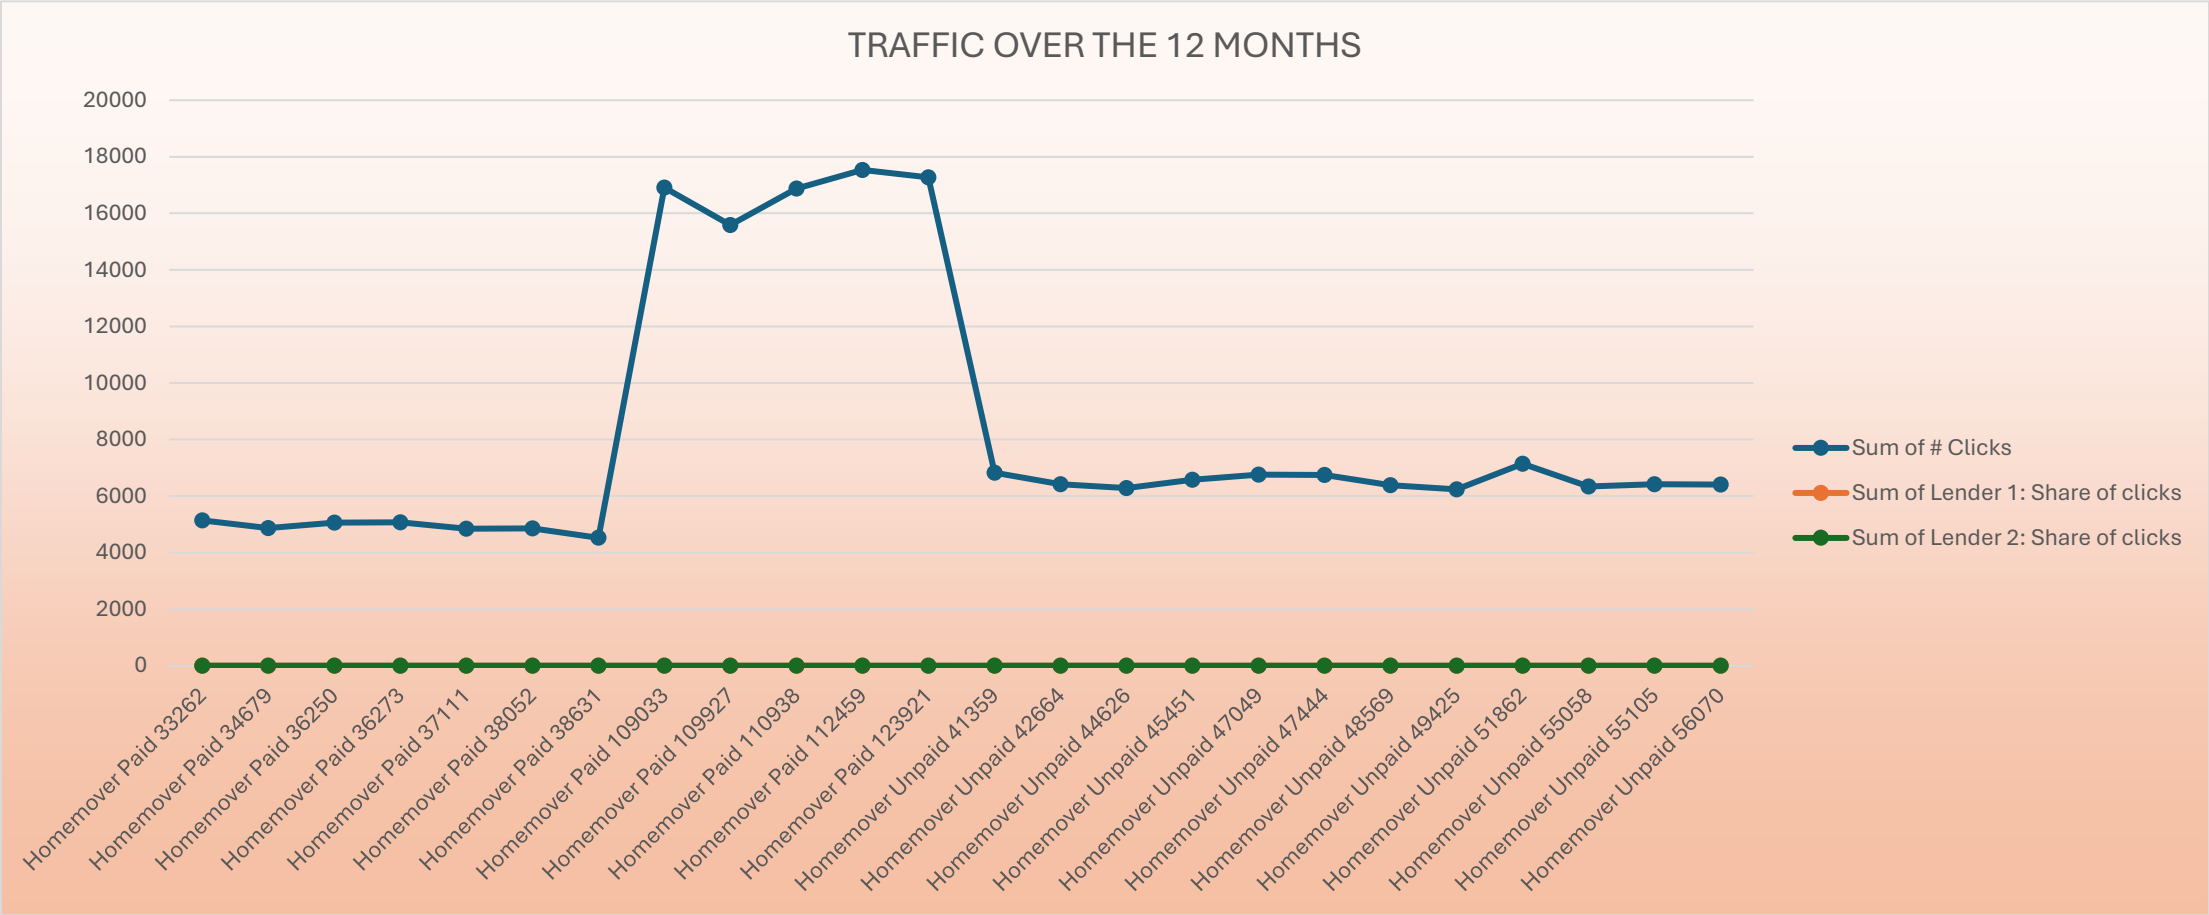

Unpaid Visitors

Slightly fewer visitors.

Equal share of clicks between lenders.

Recommendation: Invest in targeted marketing campaigns.

Home-Mover Trends

Home-Mover Summary

Paid Visitors

Steady number of visitors.

Equal share of clicks between lenders.

Recommendation: Keep monitoring performance and adjust as needed.

Unpaid Visitors

Lower number of visitors.

Equal share of clicks between Lender 1 and Lender 2.

Recommendation: Focus on content quality and user engagement to attract more organic visitors.

Closing Slide

“In conclusion, our website’s monetization strategy leverages both paid and organic traffic. By optimizing our content and maintaining a balanced approach between lenders, we can continue to drive revenue. Thank you!”
